

1st Romp Naked of 2008 ~ Saturday ~ January 19th ~ info@RompNaked.org

We invite you in from the cold to the warm glow of naked men dancing – Romp Naked on Saturday, January 19th, 2008.

Dance with us! Explore! Go beyond physicality and explore the depths of inner beauty and spirit, of sensuality and sexuality. Celebrate being human! Romp Naked is not a sex party, and is undeniably a sexy party.

Romp Naked is an alcohol-free, drug-free, and smoke-free event. We provide non-alcoholic beverages, light refreshments, and secure clothing check. A portion of the proceeds will be donated to community help/outreach organizations in Western Washington.

Our DJs play high quality world dance music, sounds from the global underground scene, producing unique musical flavors that won't be found in dance clubs. It's world music, drumming, Eastern, Pagan, and many other things.

The event has two spaces: Dance Vault where you can socialize and enjoy refreshments after shaking it out on the dance floor; Chill Zone is a relaxing space where gifting and receiving is the rule, offering down tempo music selections, lots of space for lounging, conversation, chocolate, and massage tables.

We'll mingle, groove, dance, twirl, watch, be seen, meet old friends and make some new ones. We expect 150-200 naked men to be romping the night away. Over 100 attended last September, a rainbow of men of many sorts.

Visit our website for more information, to RSVP, or to volunteer and contribute to our community generated dance and social event.

We hope you'll join us soon at Romp Naked!

Yours most nakedly,

~Romp Naked Team~
